### Porsche Macan 95B PDK Clutch Kit 9A714103000

★★★★★

**USD \$1,584.27**

Restore your Porsche to its original glory with a brand-new PDK clutch kit. This premium replacement kit is meticulously engineered to match the exact specifications of your Porsche, ensuring seamless gear shifts and optimal performance, just like when it first rolled off the assembly line.

Experience the joy of effortless gear changes and the confidence that comes with a fully restored transmission. This clutch kit is designed to address common wear-and-tear issues, such as slipping, rough shifting, and excessive noise. By replacing the worn components with this high-quality kit, you're not just restoring your Porsche's functionality but also preserving its value and performance.

Say goodbye to the frustrations of a worn-out clutch and hello to the peace of mind that comes with knowing your Porsche is operating at its peak. With this PDK clutch kit, you're investing in a reliable, durable, and OE-quality replacement that will keep your beloved Porsche running smoothly for years to come.

Make	Model	Submodel	Years
Porsche	Macan	Turbo	2014-2018
Porsche	Macan	GTS	2014-2018
