SMG II BMW E46 M3 Pressure Accumulator 21532229716

USD \$437.04

This item is a new BMW SMG pressure accumulator. If your accumulator has failed this is one of the best options. You can refresh your SMG without having to replace the entire SMG unit on your vehicle.

Failure of unit will cause the SMG system to fail at different points of use. The system will produce codes that might not directly point to accumulator. It is always recommended to test accumulator first to make sure it is within specification.

Refresh your BMW M3 with a new pressure accumulator for your SMG II (21532229716). This accumulator is designed for the E46 series. Engineered to meet the exacting standards of the iconic M series, this high-performance accumulator ensures optimal hydraulic pressure for your SMG transmission.

Experience smoother gear shifts and enhanced driving dynamics with this genuine BMW part, purpose-built for the E46 platform. Elevate your M series driving experience with the reliability and precision of pressure accumulator.
