SMG III seal kit upper shift cylinder

USD \$322.31

This new BMW SMG seal kit is designed with enthusiasts like you in mind, this kit empowers you to refresh and rejuvenate the vital subcomponents of your SMG pump upper mechatronic unit. From solenoid valves to shift rod seals, each piece has been carefully selected to ensure optimal functionality and longevity.

With 56 pieces included, you'll have everything you need for restoration and renewal. Gone are the days of settling for sluggish shifts and lackluster performance. With our kit in hand, you'll unleash the full potential of your BMW, experiencing smoother shifts, sharper response, and enhanced driving dynamics.
