Upgraded Lamborghini Position Sensor Plate 086907811

CAD \$220.38

Upgrade your OEM E-Gear Lamborghini position sensor plate with our new high-quality CNC machined 6082-T6 aircraft-grade aluminum. Our design is lightweight and hard anodized for corrosion resistance. We have included a new gasket and the mounting hardware required to make this installation extremely easy. This will fit all Lamborghini Gallardo's with the E-Gear transmission.
